Unicorn & Dragon Visit the Zoo
Learning Packet

✨ Parent & Teacher Guide ✨

Thank you for downloading the Unicorn & Dragon Visit the Zoo Learning Packet!

This activity pack was specially created to extend the learning from the book Unicorn & Dragon Visit the Zoo and bring the Choo-Choo magic into your home or classroom.

🐾 🐾 🐾 🐾 🐾 🐾 🐾 🐾 🐾 🐾 🐾

What Your Child Will Learn:

✦ **Activity 1 —   Find the Letter!**
• Builds letter recognition, phonemic awareness, and zoo vocabulary by identifying uppercase and lowercase Z words.

✦ **Activity 2 —   Letter Delivery!**
• Strengthens problem-solving, spatial awareness, and fine motor skills while reinforcing letter-sound connections.

✦ **Activity 3 —   Zoo Count & Match!**
• Develops number recognition and one-to-one correspondence through counting and matching animal sets.

✦ **Activity 4 —   Color by Numbers!**
• Supports number identification, following directions, and fine motor coordination through guided coloring.

✨ How This Packet Enhances the Book ✨

Each activity connects directly to scenes and learning moments inside

⭐ Strengthen reading comprehension
⭐ Practice real-world animal and zoo vocabulary
⭐ Build confidence through repetition & play
⭐ Deepen the experience of the book beyond the page
⭐ Stay engaged with hands-on skills aligned to preschool & kindergarten learning goals

These activities can be used before reading, after reading, or as a stand-alone learning center.

# find the letter!

Can you find a letter Z?

Some letters are hiding...some look similar... and some will try to fool you! Use your **super eyes** to circle the BIG Z words green and the little z words in orange.

Gazelle

ZOO

Zebra

Zookeeper

Lizard

puzzle

How many words starting with BIG Z's did you find?_____

How many words have little z's in them? _____

LETTER DELIVERY!

Help the unicorn deliver his ball to the ZOO!
Find the path through this tricky zoo maze.

Finish!

Start!

Zoo Count & Match!

Count the zoo animals and write the number in the box. Then draw a line from each set of animals to the correct number on the side.

You can do it, Choo-Choo Learner!
